

CHILD SAFETY POLICY STATEMENT

2508 Dickens Road | Richmond, VA 23230

www.christpresrva.com

1. INTRODUCTION

And Jesus said to them, "If anyone would be first, he must be last of all and servant of all." And he took a child and put him in the midst of them, and taking him in his arms, he said to them, "Whoever receives one such child in my name receives me, and whoever receives me, receives not me but him who sent me." Mark 9:35-37, ESV

"Give justice to the weak and the fatherless; maintain the right of the afflicted and the destitute. Rescue the weak and the needy; deliver them from the hand of the wicked." Psalm 82:3-4, ESV

God calls us not only to disciple but also to protect our children. Tragically, churches have not always been safe places for children. Whether it is negligent care by volunteers, or malicious sexual or physical abuse, children have been put in harm's way in churches – all types of churches. Abuse cuts across all social lines.

Such incidents are devastating to all who are involved: the child, the family, the church and its leaders. Increasingly, churches are torn apart by the emotional, legal, and monetary consequences of litigation following allegations of abuse or negligence.

Christ Presbyterian Church (CPC) desires to be a safe place for all children to attend. We believe that preventative steps can be taken to promote the safety of children and those who volunteer to lead them. God calls us to make CPC a safe place and to protect children from every form of harm, as we create a worshipping community drawn together by God's grace.

Purpose

CPC's purpose for establishing this Child Safety Policy Statement and accompanying procedures is to demonstrate our absolute and unwavering commitment to the physical safety and spiritual growth of our children.

Policies

As a community of faith and a congregation of ECO, we seek to conduct the ministry of the gospel in ways that assure the safety and spiritual growth of all of our children as well as that of our ministry volunteers.

The Session of CPC will review, and update if needed, this Child Safety Policy Statement at least every two years.

- Volunteers who have previously completed an application should complete a new application at least every five years.
- All applications will be kept in a confidential location in the church office.
- All volunteers must notify the coordinator of their CM team of an upcoming absence and find a replacement.

4. ABUSE PREVENTION

4.1 TWO-PERSON RULE

- At least two unrelated CMVs will ordinarily be present at every CPC function or program involving children.
- At least one of these should be an adult over 21 years old.
- The Session has the right to waive this rule if deemed necessary.

4.2. RATIOS

The following ratios will be used as a goal for all CM classrooms.

- Nursery (6 weeks – 2 years old): Three children to one CMV
- Toddlers: 4 children to one CMV
- Preschool (3-5 years old): Five children to one CMV
- Children's Church (1st – 6th grade): Eight students to one CMV

4.3. DIAPERS / BATHROOM

- Children under age 4 (boys and girls) will be diapered by a female CMV. No children are to be diapered out of view. Children under age 4 (boys and girls) will be assisted in the bathroom by a female CMV.
- For children aged 4 and older, at least one CMV female should take girls to the restroom, and one CMV male should take boys to the restroom.
 - The adult should check to make sure the facility is safe and then wait outside the restroom for the children.
 - If possible, the CMV should attempt to bring at least two children.
 - When there are only two teachers, children can be sent to the bathroom with a buddy, if deemed safe by the CMVs.

4.4. DISCIPLINE

To help our children feel safe and secure, the following discipline procedures will be followed in all CM classes in the following order.

- Redirect or give verbal warning.
- Time out away from the group until suitable time has elapsed. This will be within the classroom. When a time out is used with a child, the CMV will inform his or her parent(s) after the service.
- If the child is uncontrollable, then parent(s) will be asked to remove the child from class that day.
- For recurring problems, the volunteer will contact the parent to work out a solution. Requiring the parent to attend with the child next week is recommended.

Discipline CANNOT include:

Physical Methods: strike, spank, shake, or slap even when approved by parent(s).

Harsh Verbal Correction: humiliate, degrade, threaten, compare, or criticize

Sexual abuse: inappropriate touch or verbal exchange

Mental Abuse: shaming, withholding love, or cruelty

Withholding: food, water, or other basic needs

No type of abuse will be tolerated. Any violation of these guidelines will be cause for immediate dismissal and possibly, if true abuse occurs, legal action.

4.5. ABUSE REPORTING PROCEDURES

In the case of suspected abuse by a volunteer during CM event:

Any suspected physical or sexual abuse will be reported immediately to an Elder, who will complete an Abuse Report Form. See attached "Report of Suspected Incident of Child Abuse" (Appendix B)

If a CMV becomes aware of possible abuse of a child, (s)he must ensure that the child's parent or guardian is immediately informed that possible abuse has occurred.

If it is deemed necessary, the authorities should be contacted as soon as possible.

In the case of suspected abuse by a parent or guardian:

Any suspected physical or sexual abuse by a parent or guardian should be reported to an elder at the first opportunity.

If a CMV becomes aware of possible abuse of a participant by a parent or guardian, then all due diligence should be used to secure wise counsel and to report the incident to the authorities if it is deemed necessary.

5. ABDUCTION PREVENTION

5.1. TRANSFER OF CUSTODY

Children should never be left unattended. There must be a clear transfer of custody between parents/guardians and CMVs.

When being dropped off, the parent must clearly communicate with the volunteer/worker that custody of the child is being transferred to the volunteer/worker. All due diligence must be taken to ensure that the proper party is responsible.

All children must leave through the door at the back left of the sanctuary. Transfer of Custody occurs at this door only in the presence of one of the CMVs.

If a child does not go through the door with the group, a parent must accompany him to his or her CM room.

First-time visiting parents should accompany children to their CM room to meet CMVs and to turn in/fill out a Child Information Form (Appendix F).

Nursery and Preschool children will be returned to their parents/guardians in the sanctuary at 12:15 p.m.

Children in Children's Church should be met by their parents at the classroom after the service.

5.2 ATTENDANCE RECORDS

Attendance must be taken every time the church has custody over a child, including events that are not on Sunday morning.

Attendance records will be kept on file for at least one year.

5.3 ATTENDANCE SHEETS

A standard attendance sheet is provided weekly for each CM classroom, and for every instance of other CM programs. The CMVs will maintain an attendance sheet while children are arriving.

Recorded on the "Attendance Sheet" is:

Names of CMVs in room
Names of children
Allergy Information
Special Instructions (e.g. feeding time, schedule, potty trained or diapers)

6. FACILITY SAFETY & SECURITY

6.1 AUTHORIZED PERSONNEL

During classes, only approved CMVs, parents, elders, and deacons will be allowed into any classroom or nursery.

In the case of dropping off or picking up, parents may enter a classroom to help transition the child.

CMVs should always have a cell phone available.

6.2 CLASSROOM EQUIPMENT

All classrooms should be equipped with quick reference including:

- Fire-escape plans **[NEED TO OBTAIN]**
- Attendance Sheets
- Proper hand washing/sanitation option
- Child Information Forms (Appendix F)

6.2.1 MAINTENANCE

All equipment and toys should be inspected annually to ensure age appropriateness.

Emphasis should be placed on purchasing equipment and toys that can easily be disinfected.

Broken equipment and toys should be removed immediately.

6.3 FIRE & EMERGENCY EVACUATION AND LOCKDOWN GUIDELINES

Review the established fire & emergency evacuation policy for the church building.

See attached “Fire & Emergency Evacuation Guidelines” and “Lockdown Emergency Guidelines” (Appendices D & G).

These procedures must be reviewed by all CMVs during initial training. An evacuation map must be posted in each room.

6.4 CHEMICAL SAFETY

Cleaning supplies, bacterial wipes and any other non-edible items will be out of reach of children. After toys are cleaned, they will not be given back to the children to play with until the following Sunday to give the toys sufficient time to dry.

7. MEDICAL SAFETY

7.1 FIRST AID PROCEDURES

In order to facilitate a rapid response to a medical emergency at CPC call 911 and contact an elder or deacon.

A first aid kit is located in each of the supply areas located in all three CM rooms. **[NEED TO OBTAIN]**

7.2 ALLERGIES

Food allergies are common and may represent a significant health concern for some infants and children. Consequently, several safety mechanisms will be in place to minimize the chance of food allergen exposure for vulnerable children:

7.2.1. ALLERGY DOCUMENTATION AND AVOIDANCE

In order to avoid inadvertent allergen exposure, CPC will provide goldfish crackers, pretzels and animal crackers as a snacks.

CMVs are to refrain from bringing additional food and beverages into the classroom area during their time of service unless for use in the lesson. If lessons involve the use of food, CMVs will check Child Information Forms to make sure there are no issues with allergies, and CMVs will post what foods are being used on the classroom door.

Parents are to refrain from sending in snacks with their child during Nursery/Sunday Community periods, unless approved by the CMVs.

7.3 INFECTION CONTROL

The primary means for controlling spread of illness among the infants and children under our care are:

- Regular disinfection of the nursery environment

- Regular hand washing/sanitation

7.3.1. DISINFECTION OF ENVIRONMENT

Appropriate disinfectant wipes will be available in the Nursery room (wipes are not needed in the Preschool room and Children's Church room).

The wipes will be maintained out of the reach of children and will be clearly identified to avoid confusion with diaper changing supplies.

All toys and counter/table surfaces should be cleaned with the appropriate disinfectant after each session.

The assigned CMVs in each classroom will be responsible for cleaning as toys are placed away.

To promote appropriate disinfection, the number of toys in each play area should be regularly assessed to maintain an appropriate number of toys.

The diaper changing area should be cleaned with an appropriate disinfectant after each use.

Frequent hand washing for all nursery CMVs is encouraged, and required after each diaper change.

7.3.2. SICK CHILD/WORKER POLICY

In order to prevent spread of contagious illnesses, infants and children meeting the following conditions will not be allowed to CM classes:

1. Fever greater than 100.4°F within the past twenty-four hours (must be fever-free without the use of medicine)
2. Diarrhea or vomiting in the past twenty-four hours
3. New or unidentified rash
4. Inflammation around the eyelids, red eyes, or eye discharge that is not clear (pink eye)
5. Excessive runny nose (other than clear discharge) or heavy congestion
6. Excessive coughing, persistent sore throat, or wheezing
7. Lice (must be lice and nit free for 48 hours)

CMVs who are acutely ill should contact their CM coordinator with the names of their replacements.

Should a CMV think that a child may have a fever, or other symptom, the parent(s) should be contacted immediately. If necessary, the child will be removed from the classroom.

7.3.3 BITING POLICY

If a child bites another child, both sets of parents should be sent for immediately. The biter must be removed from the classroom for the day. If biting continues weekly, parents can either attend with their child or the child should be removed from the classroom until biting has subsided.

CHILD SAFETY STATEMENT

INTRODUCTION:

Given the reality that we live in a fallen world, that the purity and reputation of the church are at stake, and that statistics reflect a national problem crossing social, racial, and age lines, it is necessary and prudent for CPC to adopt and enforce a Child Safety Policy.

PURPOSE:

Our congregation's purpose for establishing this Child Safety Policy and the accompanying procedures is to demonstrate our absolute and unwavering commitment to the physical safety and spiritual growth of all of our children.

GOALS:

- To safeguard the children of the church from abuse while involved in church activities
- To protect the honor and reputation of Jesus Christ and his church
- To protect volunteers from false accusations
- To protect the church from trauma, scandal, and legal liability
- To offer pastoral care and support to volunteers who have been the victims of past abuse

STATEMENT:

Therefore, as a Christian community of faith and a congregation of ECO, we pledge to conduct the ministry of the gospel in ways that assure the safety and spiritual growth of all of our children as well as all of the volunteers. We will follow reasonable safety measures in the selection and recruitment of volunteers; we will implement prudent operational procedures in all programs and events; we will provide educational opportunities for all our workers with regard to the appropriate policies and procedures; and we will have a clearly defined procedure for reporting a suspected incident of abuse that conforms to the requirements of state law.

CONCLUSION:

Psalms 78: 1-4 says, "O my people, hear my teaching; listen to the words of my mouth. I will open my mouth in parables, I will utter hidden things, things from of old- what we have heard and known, what our fathers have told us. We will not hide them from their children; we will tell the next generation the praiseworthy deeds of the Lord, his power, and the wonders he has done." We want our children to know the praiseworthy deeds of the Lord, and we are committed to providing opportunities for them to learn and grow in a safe and secure environment.

What to Look Out for

Information can be found at the VA Department of Social Services website:

<http://www.dss.virginia.gov>

As stated under the Reporting Section, when the children are in our care at Christ Presbyterian Church, we are "designated professionals" and need to report suspicions.

APPENDIX G

LOCKDOWN GUIDELINES

Objective: To provide guidelines to ensure the safety of the CM classes in the event of an active shooter in or around the premises.

If gunshots are heard, or if an elder, deacon, pastor, or staff person at CPC alerts the CMVs that there is a reason for the building to be on lockdown, the following procedure should be followed:

1. All individuals must stay in the room they are in. If anyone is in a hallway or other open space, they must go to the nearest enclosed room.
2. Close all doors and if it is possible to lock them from the inside, do so.
3. Turn off all lights.
4. Move all children as far away from the doors and windows as possible, and into closets if there are any.
5. If there are windows in the room, everyone should remain below window level.
6. If the door has glass, sit in an area of the room where you would remain unseen if someone looks in through the glass.
7. Try to keep all children seated in a group and as quiet as possible.
8. Adults should place themselves between the door and the children.
9. Silence all cell phones and toys.
10. Barricade the door with desks and tables if possible.
11. If possible, turn tables and chairs on their sides and use them as shelter.
12. Remain on lockdown until an elder, deacon, pastor, or staff person alerts you that the emergency has ended.
